

DIVERSITY STATEMENT

The Council for Learning Disabilities is committed to celebrating and enriching the field of special education through its diversity. As a group, we pursue the best practices, research, and policies that exemplify enhancing the lives of individuals with learning disabilities, including those from diverse cultural and linguistic backgrounds. As a diverse group of professionals in the field of special education, we believe that this work cannot be completed in a silo, but rather, it must be embedded within every part of what we do. As an organization, we are committed to welcoming, understanding, learning about, and honoring individual diversity.
