Council for Learning Disabilities Mission: The Council for Learning Disabilities (CLD), an international organization composed of professionals who represent diverse disciplines, is committed to enhancing the education and quality of life for individuals with learning disabilities across the life span. CLD accomplishes this by promoting and disseminating evidence-based research and practices related to the education of individuals with

learning disabilities. In addition, CLD fosters (a) collaboration among professionals; (b) development of leaders in the field, and (c) advocacy for policies that support individuals with learning disabilities at local, state, and national levels.
